On 03-14-2024, I contacted Dontae Strother via phone (816-674-0057) on a follow-up from my conversation with him the day prior. I previously told Strother that he could think about whether or not he wished to aid in prosecution in this case, and I would call him the next day to talk with him again. He stated he was okay with that.

During my contact with Strother on 03-14-2024, he advised that he wanted to "call it good and walk away" indicating that he no longer wished to aid in prosecution.

On 03-14-2024 at approximately 1353 hours, I received an email from Crime Analyst (CA) Stoker containing a pasted email from Deputy US Marshal Caleb Smith out of the Western District of MO.

In the email, Deputy Smith provided Facebook screenshots of associates of Cedrick Scott, and identified one as Antonio Sullivan (b/m 06-07-1989). Using the surveillance video from Discount Smokes, I was able to identify Sullivan as the passenger in the gray/black Dodge Challenger - from which there were apparent firearm discharges as seen on the Dirty Bird surveillance. Sullivan showed a criminal history of violent offenses including a federal offense of unlawful transport of a firearm from November 2014, and corresponding violations of supervised release.

A Facebook friend of Sullivan was named "He'll Cat" - of which the term "hellcat" (commonly associated with Dodge sports cars, including Challengers) could be interpreted. A check of this profile showed a picture with the name "Deleon Reed" beneath it. A check of the name through MULES/NCIC returned to Deleon Reed III (b/m 02-17-1993). Based upon Reed's Missouri DOR and US BOP mugshot, I identified Reed as the driver of the Dodge Challenger. Reed's criminal history showed prior convictions including a Federal case for carjacking under 18 USC 2119. He showed subsequent violations of supervised release.

On 03-11-2024 at approximately 0206 hours, I was contacted by Detective Sgt. Shrout, via phone, who requested that I respond to Research Medical Center, 2316 E Meyer Boulevard, Kansas City, Missouri 64132 regarding two subjects who had sustained gunshot injuries as a result of an aggravated assault (Report #24-0625).

The subjects were later identified as Dontae A. Strother (B/M 03-29-1994) and Cedrick WJ. Scott (B/M 01-01-1994).

Upon arrival, I contacted Cpl. Shroyer in the Emergency Department. Cpl. Shroyer explained that Cedrick was transported to "surgery" prior to my arrival and that Dontae was located inside Room #3. Upon entering Room #3, I informed Dontae who I was and the reason for my contact. Dontae stated he was not provided any type of medication from hospital staff prior to my arrival.

The following represents a summary of substance and statements made during the course of the interview and is neither intended to reflect a verbatim record of the interview nor is it necessarily presented in chronological order:

Dontae explained that he arrived at the Dirt Bird Bar & Grill, 6600 Blue Ridge Boulevard, Kansas City, Missouri 64133 with his mother, Monique Rabon (B/F 11-01-1975) in her gold 2014/15/16 (Toyota) Camry.

While inside, Dontae stated he was playing "pool" with his mother and other females (unknown). After being inside for approximately thirty (30) minutes, Dontae stated he exited the Dirty Bird to smoke a cigarette, which he described as being "in the front." While outside, Dontae stated that an unknown black male asked if he had a lighter. After speaking with the unknown black male, Dontae stated he and the unknown male entered a black passenger car.

It should be noted that the unknown black male occupied the driver's seat and Dontae occupied the front passenger seat.

While inside the black passenger car, Dontae stated he and the black male were talking, when "someone walked up and started shooting," through the vehicles window and door. Dontae advised he heard approximately twenty (20) or more gunshots during the incident.

During the shooting, Dontae stated he exited the front passenger seat of the black car, at which time he attempted to "hide up under the car." Dontae stated the suspect "wasn't standing over me but he seen me outside the car and he was shooting, just trying to get me."

Prior to being transported to the hospital, Dontae stated he and the unknown front seat passenger were removed from the black car prior to being placed in the backseat of a truck (unknown).

As a result of the incident, Dontae stated he sustained a "gunshot to the left side, in and out." Dontae clarified his left side as being his left thigh.

During the incident, Dontae advised that he was clad in a light pair of pants (jeans) and a white t-shirt. Dontae denied that he was "beefing" or had any sort of altercation with anyone while at the Dirty Bird.

Dontae was unable to provide a suspect description other than him "knowing it was a male."

When asked if Monique had been notified of the incident, Dontae advised that his mother (Monique) was "outside."

Prior to the completion of my contact with Dontae, he signed a medical release form in regard to obtaining his medical records.

After speaking with Dontae, I walked to the Emergency Department's waiting room, where I contacted Monique Rabon, who was accompanied by a black female who she identified as being "Mrs. Worthy". I informed Monique who I was and the reason for my contact.

The following represents a summary of substance and statements made during the course of the interview and is neither intended to reflect a verbatim record of the interview nor is it necessarily presented in chronological order:

Monique explained that she arrived to the Dirty Bird at approximately 2330 hours. When asked if she and Dontae went to the Dirty Bird together, Monique stated "no, I did not." Monique advised that she drove her gold Lexus to the Dirty Bird.

While inside the Dirty Bird, Monique stated that she was approached by a female (unknown) who informed her that Dontae was outside. Upon exiting the Dirty Bird, Monique stated she located Dontae outside of the business. Monique stated she and Dontae then walked inside the Dirty Bird together.

While inside, Monique stated she and Dontae were talking and laughing. Monique denied that there was any type of altercation inside the Dirty Bird.

Upon Dontae exiting the Dirty Bird, Monique stated she "actually walked him to the car." After walking Dontae to the car, Monique stated she returned inside the Dirty Bird.

At approximately 0030-0100 hours, "Mrs. Worthy" advised that is when the sound of gunshots could be heard. Monique stated she "hit the floor" upon hearing gunshots.

Monique was unable to provide further information regarding the incident.

Prior to the completion of my contact with Monique, I provided her with my business card.

My audio recorded contact with Monique was downloaded onto the police computer under the following path: M:\2024 Digital Media\24-0625\Monique Rabon Contact.
